Wipro Elite and Turbo
Wipro careers portal

Target: Elite / Turbo

CORE STRENGTHS

Java, Python, C++, SQL
Spring Boot, React basics
Git, MySQL, Postman
OOP, DBMS, testing, problem solving

Aarav Sharma

Project Engineer | Elite / Turbo

Bengaluru, India | +91 90000 12345 | aarav.sharma@example.com
linkedin.com/in/aarav-sharma | github.com/aarav-sharma

PROFILE

Computer Science graduate with a foundation in programming, databases, and software testing. Developed academic projects from requirements through implementation, with a focus on readable code, reliable behavior, and clear project explanations.

SELECTED PROJECT

Student Placement Tracker

Java, Spring Boot, MySQL, HTML/CSS

- Built modules to record student profiles, application status, and placement activity.
- Added input validation and database constraints to reduce incomplete or inconsistent records.
- Prepared test cases for core flows and documented setup steps for the project repository.

EDUCATION

B.Tech, Computer Science | Northstar Institute of Technology | 2026 | CGPA 8.2/10

CERTIFICATIONS AND ACHIEVEMENTS

Java Programming | Database Management Systems | Software Testing
Add verified coding profiles, assessment scores, and awards.

Fictional details for illustration. Customize and verify before applying. This visual layout is not employer-approved and may parse poorly in ATS systems.
